RE: Distribution of 1998-1999 Cable Royalty Funds  
Docket No. 2001-8 CARP CD 98-99

Your Honors:

The Music Claimants in the above-captioned proceeding are writing to make a correction to the Music Claimants' October 2, 2003 Response to the Copyright Arbitration Royalty Panel's September 24, 2003 Order. In said Response, the Music Claimants asserted that none of the other parties have advocated that Music receive different shares from the various Funds. In fact, the Canadian Claimants have advocated that Music Claimants receive a slightly different share from the 3.75% Fund than from the Basic Fund. Canadian Claimants' position is apparently based upon their contention that the Devotional Claimants' share (which is a larger share of the Basic Fund than of the 3.75% Fund) should be taken from the shares of all of the parties (including the share of the Music Claimants) resulting in the Music Claimants receiving a slightly smaller share of the Basic Fund than of the 3.75% Fund. Music Claimants disagree and note that Music Claimants' response to this argument is contained in its Reply to Proposed Findings of Fact and Conclusions of Law at page 59, paragraphs 114-116.

Respectfully submitted,
